(3) NAWS Board Score Sheet

1. Having met the requirements of references (a) through (c), you are hereby designated as a Naval Aircrew Warfare Specialist effective 26 June 2013.

2. This designation carries the special recognition of your outstanding efforts in qualifying as a Naval Aircrew Warfare Specialist. You are to act with responsibility and maturity in the execution of your duties. Your actions shall always be within the guidelines set forth in applicable safety and NATOPS directives.

3. Congratulations on a job well done!

JAMES E. BROKAW
